

Mare - Cadence

CORIANDER X LORD X FAMINGO

Imported Holsteiner State Premium Mare Stamm 776 DOB 1993
Breeder: Sudeck Hermann, Uetersen, Germany
Owner : Noblewood Park Stud, Gidgegannup

Cadence is now one of the Stud's premium mares and has produced three outstanding foals by Collins - Coco and Chanel retained by the stud and the stallion Cougar who won Supreme Champion at the Holsteiner Classifications in February 2002 at the unprecedented age of six months and now stands at the stud. Cadence is by the famous dressage stallion Coriander and out of a Lord mare, Doreen I a State Premium mare. She was purchased at the Holsteiner Verband Auction/Classification in August 1998 and was one of the highest priced mares that year.

DAM PEDIGREE AND BACKGROUND

Cadence is a Holsteiner State Premium mare, one of the most highly awarded mares in Germany and she has three full sisters who are also State Premium mares. She is breathtakingly beautiful and has proven to be a show stopper. She has both the ability and presence for either jumping or dressage and it is for this reason Cadence has been put into the breeding program rather than the showjumping team.

Cadence is from the successful and coveted Holsteiner dam line 776. Famous Holsteiner Stamm 776 has produced sires such as Calvados I and II, Cortino I and II, Lord Incipit, Captain Incipit, Lauritz J, Rossini, Acorado, Lordanos, Ramirado, Contiki, Toledo and the world class sire Ramiro who is present in many top showjumping horses and sires.

SIRES PEDIGREE AND BACKGROUND

What can you say about the stallion who can do it all? Dressage, jumping and driving. This was proven at the Holsteiner gala evening show. Coriander was jumped, changed saddles and did a Grand Prix test, and lastly was driven...all to the crowd's cheers!

Coriander is probably best known and respected for producing the quietest minds in Holstein. He ranked as the leading sire of sporthorses for all of Germany in his age group three years in a row. He'll produce elastic movers with deep and effective shoulders. Coriander is included in this elite list of stallions for his consistent production of stallion sons and approved daughters.

His pedigree speaks highly of the successes of this stallion. Sire Coriolan is from the first foal crop of Calypso II. Coriander himself is from the first foal crop of Coriolan.

Even though in his stallion performance test Coriander showed exceptional talent as a jumper, it was apparent that he was even more suited for dressage. He was trained first by H. Peter Mohr, then went on to show under Wolfgang Schade for the Holsteiner Verband, through International Grand Prix.

Coriander has produced many State Premium mares and 7 approved stallion sons, including Cappucino, Carlino (purchased by Margit Ott-Crepin), and others. Coriander is known for producing very rideable horses with exceptional movement.
