BERETTA

Beretta

Beretta is the FULL BROTHER to Noblewood Park Blatini.

Beretta is a bay Holsteiner stallion born here at Noblewood Park Holsteiner Stud in 2004 by imported semen of the KWPN stallion Burggraaf from Cantus / Roberto. He is careful, the canter is perfect in its regularity and ground cover and he has a true natural talent.

Pedigree/Background
Burggraaf is the product of the successful Holsteiner formula Landgraf I x Cor de la Bryere. Beretta's grandsire, top breeder Landgraf I produced over 50 approved stallions and over 70 state premium mares just in Germany and head of the Germany yearbook with the total winnings of his progeny of over $6m AUD. That sum was earned by, amongst others, Libero H, Lanciano, Landlord, Lacors, Lucky Luke, Lasall, Landraetin, Londen, Landwind and Taggi. Burggraf's dam Loanda is out of a unique Holsteiner breeding line (Stamm 7126) who produced Accord I, Accord II, Acrobat 1 to VI, Arico, Fra Diavolo, Chicago, Freeman, Cordon Bleu and Burgraaf. Burggraaf has also produced a lot of offspring who are star and keur. Burggraaf has a very high jumping index with 152 points.

Dam Line
Beretta is out of the German bred imported Holstein mare Cantara by Cantus. Cantus' sire, Caletto I was one of Germany's most successful jumping competitors. His dam Monoline was by the tough competitor Roman out of an advanced showjumper, USA. Cantus, who died far too early in 1994, was a successful sire of showjumpers right from the start. Come On, his internationally best-known approved son, won many times at Grand Prix and Nations Cup level. Cantus produced 25 approved sons, including Cassius Clay (FULL SISTER TO Beretta's dam CANTARA) (1992 Viernheim champion stallion), Cascavelle, Colbert GTI, Canaletto (both private stallions Holstein), Cyrano (private stallion Hesse) and Celestial (private stallion Oldenburg). At the 2000 Olympic Games in Sydney, the Cantus son Calvaro won the silver medal at the 2000 Olympics. Beretta's full sister is the imported super talented mare Blatini. She has continued her jumping success in supreme style winning eight World Cup Qualifiers and many Australian Grand Prix, making her one of the best jumping mares in Australia. Beretta's dam Cantara is also a World Cup Qualifier winner and was Australian Speed Champion in 2000.
