

Reference Sires - Numero Uno

Numero Uno completed his performance test spectacularly; he received a 9.0 for canter and scored an average of 8.5 for jumping components. His explosive take-off earned him as much as 9.0 points.

Dam Jolanda, like Olympic showjumping stallion Lux, descends from Lord Calando. Grand dam Feinschnit (Ahorn hann) supplied, in combination with Gondelier, the national showjumping horse Kapitoll, who as a five-year-old, gave an excellent performance in the world championship for young horses at Lanaken.

The damline continues via the well known stallion Farnese to the mare Fernsicht (Ladykiller xx), who is a full sister to the reputable stallion Lorenz. This famous Holstein lineage, which is registered under number 429, also produced the stallions Aldato (Anblick xx), Heidelberg (Ladykiller xx) and Benedictus (Benvenuto xx).

After a successful show jumping career with European Champion Marco Kutscher, Numero Uno today has turned out to be one of the leading sires in the world. Numero Uno, father to six approved KWPN stallions, is sire to many champions in international show jumping, ability tests and stallion approvals.

Both the 2005 KWPN champion (Vincenzo) and the 2005 KWPN performance test champion (Van Gogh) are by Numero Uno.
